OFFICIAL CALL

Arizona Good Roads Association

The next conference of the Arizona Good Roads Association will be

A cordial invitation to hold the meeting at Flagstaff has been ex-tended by the board of supervisors of Coconino county and officials and others of the "Sky Light" city.

This meeting will be of great importance and affords a splendid opportunity for all who are interested in good roads to get together compare notes for mutual benefit. From various people interested in the association many excellent suggestions have been received, and a number of these important topics will be under discussion at the Among the subjects that have been suggested for discussion are the following:

1. The co-operation of counties on a general Highway System. The road drag; its importance in road improvement in Arizona. 3. State publicity on road conditions as a means of awakening interest in good roads,

Concrete highways, and recent road construction in California,
 Why state and county officials should encourage good roads.
 State bond issues and federal aid for roads.

An annual road exhibit at the Arizona State Fair. It is hoped that all of these subjects can be presented at the

Flagstaff conference. The program is being prepared in detail and will be submitted to all members at an early date. An earnest invitation to the women of Arizona to attend the conference and take active part in the work of the organization and its future plans is cordially extended by the officers of the association. Invitations have also been extended to representatives of the forest service and other branches of the department of the interior to attend and point out how their different departments can assist in road build-

ing work in Arizona. You are earnestly invited to be present in person, and also to see that a delegation from your community is in attendance. Boards of supervisors, cities and commercial organizations are entitled to five delegates each, and in addition all members of the Good Roads Asso ciation and their friends are entitled to attend the conference.

Special Rates on Railroads Arrangements are being made whereby the Receipt Certificate Plan will be available for the conference. This will enable delegates, to attend the meeting for a rate of one fare and one-third fare. HARRY WELCH, Secretary.
